

The 1st UENO Food Safety Seminar

On the occasion of our 90th anniversary of operations in Japan and its 20th anniversary in Thailand, we organized the International Forum for Food Safety (IFFS). The forum was organized to promote better understanding among participants to share ideas on current and forth coming issuers of food safety from Thai and Japanese viewpoints. There were 160 participants both Thai and Japanese from governments, academics, manufacturers, and reporters/journalists.

Date : February 14, 2008
